

GOOD Tidings

"I bring you **GOOD TIDINGS** of great joy a Savior which is Christ the Lord", Luke 2:10-11

FALL 2009

VOLUME 30 • NUMBER 1

A message from the CEO

**Dear Friends of
St. Luke Lutheran Community,**

Please enjoy the year-end edition of "Good Tidings", where we recognize outstanding St. Luke accomplishments, people, and events of the past year. We also acknowledge and sincerely thank our member Churches and donors whose contributions are central to our ministry.

After years of planning and discussion, we are extremely excited to begin the construction phase of a new campus in Minerva. The project would not have been possible without the strong support and contributions from the Minerva community. Please visit our website for construction updates and other news.

We are disappointed to report that St. Luke will not be moving forward with a community in Massillon. Many economic factors contributed to this difficult decision. In response to a changing environment, St. Luke has developed a new program called LINCOS (Lutheran Interfaith Network Connection of Services), which promotes independent and healthy aging by linking seniors with available community services of which residents in Massillon and other communities can participate.

As an organization, we are heavily dependent on the State of Ohio for payment for nursing home services. Unfortunately, as part of the State budget crisis, the State continues to reduce reimbursement for programs and services to seniors. Please advocate on our behalf to our local and State officials. Also, please be our voice in your church and community in support of our benevolent care and fundraising efforts. Be assured that St. Luke will be true to our mission and continue to provide services irrespective of residents' ability to pay.

Thank you for all that you do on behalf of the St. Luke Lutheran Community. Your collective commitment to our mission and ministry truly makes St. Luke a special place. I look forward to continuing our work together to make a difference in the lives of the people we serve.

Sincerely,

John L. Spieler, DrPH, FACHE, *Chief Executive Officer*
St. Luke Lutheran Community

St. Luke Lutheran Community-Minerva

St. Luke Lutheran Community's Board of Directors is pleased to announce the start of construction for St. Luke Lutheran Community – Minerva, a 50-acre, senior living complex located on Woodale Avenue (off Route 30) in Paris Township.

A groundbreaking ceremony took place on October 14th. The initial phase of the project will be a state-of-the-art, 30-unit assisted living facility. Additional phases will include other forms of senior housing and services.

According to St. Luke Lutheran Community CEO, John L. Spieler, "We have substantial community support for this project, spearheaded by a very involved group of community leaders. These leaders were instrumental in a fundraising drive that made this project a reality." Special thanks to the St. Luke Minerva Steering Committee led by Chairperson, Martha Gartner, Pastor Joe Ertl, Karen and Al Jeske, Pat Miller, Gary Prowe, Vic Kidder, Marty Peddicord, David Porter, Vicki Ramsier, John Cox, and Dick Swallen.

The first phase of the project will cost approximately \$4.6 million. As part of the project financing, St. Luke was successful in securing a loan from the United States Department of Agriculture - Rural Development. SoL Harris/Day architects will serve as the project architect and The Knoch Corporation will be the construction manager.

For more information or to be placed on the waiting list, please visit our website, www.stlukelutherancommunity.org, or contact Kristie Woods, Director of Development & Community Relations at (330) 966-5626, kwoods@stllc.org or John L. Spieler, Chief Executive Officer at (330) 966-5646, jspieler@stllc.org.

Inspire

by Example

"You must give time to your fellow man, even if it's a little thing, do something for others...something for which you get no pay, but the privilege of doing it."

Albert Schweitzer

SPECIAL RECOGNITION

Gloria Esmont
Kate Noggle

*Thank you
to all our
wonderful
volunteers!*

St. Luke Lutheran Community SALUTES GLORIA ESMONT

2008 St. Luke - North Canton Volunteer of the Year

Gloria Esmont

Gloria has been a dedicated volunteer since 2001. Gloria's service includes a variety of tasks such as delivering mail and newspapers to residents four days a week, assisting with chapel service by transporting residents, and any other task she is asked to do. We appreciate Gloria's dedication to her volunteer position at St. Luke and feel very fortunate to have her with us for the past 8 years. Congratulations Gloria! Thank you and God bless you for the many hours you devote to residents and staff.

St. Luke Lutheran Community has many volunteer opportunities. We do not require a certain number of hours per week or month. Any amount of assistance is welcome.

One particular need is for "Silver Spoon" volunteers. The "Silver Spoon" program consists of assisting residents with their evening meal from 5:00-6:00 p.m. A 30-minute training class is given at the facility to educate those interested.

If you, your church, or organization would like to volunteer regularly or on a one-time basis, please contact Cheryl Smith, Community Services Coordinator, at 330-497-6145 or csmith@stllc.org.

National Day of Service

Monday, January 18, 2010

St. Luke Lutheran Community will again be participating in President Barack Obama's National Day of Service on Monday, January 18th. St. Luke is seeking volunteers with a knack for tackling "Honey Do" lists and providing company to a resident. One-on-one visits and/or many one-day maintenance projects are waiting for handy men and women who would feel fulfilled by serving the needs of seniors and the environment they live in.

Please contact Cheryl Smith, Community Services Coordinator, at 330-497-6145 or csmith@stllc.org to confirm event location and time.

Community News...

"What a joy the past year has been," says the crazy lady asking for money. Despite headlines like, "Giving trends are down...People are being more cautious with their dollars...How is the economy impacting giving to your organization...", the way I see it, nothing has changed.

God is still giving at the same level He always has. He continues to provide for you and me and that brings me joy! God wants to pour out His blessings, and increase and prosper us in every way! It's refreshing to think that we do not have to be a slave to our money. Sure, we have to pay the utilities, the mortgage, and all those unwelcome invoices in the mail. But we can choose to be cheerful givers. We have the choice to share our gifts with others. We can rejoice that God has provided for us and has chosen you and me to assist Him in providing for others! I see it every day. The earth is moving in Minerva to make room for a much-needed assisted living facility for seniors. The chapel is filled with voices singing familiar hymns. The ill can muster a smile for the volunteer who delivers their newspapers. Once lonely, older adults are socializing with their neighbors and realizing the treasure that is the golden years. Seniors at St. Luke Lutheran Community continue to receive quality, compassionate, Christian care thanks to your gifts. Seniors in the greater community will be better equipped to obtain the services that best fit their needs through the LINC program. We are so very grateful, and thank you for filling this year with joy!

The headlines look bleak because no one has landed an interview with the Almighty Economist. Contrary to recent reports, giving is up...to you and me. As God's instrument, I ask you to assist Him in caring for His people. God will continue to give. Will you? Prayerfully consider what God has given you and the loving impact His gift will have on others because of you. Give in honor or in memory of loved ones. Give to Minerva-area seniors needing assistance with daily activities. By saving ACME Community Cash Back receipts, searching online via goodsearch.com and your donations, you are enriching the lives of others.

Want a Christmas gift idea that doesn't require wrapping? ST. LUKE LUTHERAN COMMUNITY CARE BRICKS ARE AVAILABLE! Engraved with your name or in honor/memory of your loved one, these bricks will be placed in a prominent location at the facility of your choice. Order forms for this unique and long-lasting recognition of your support are available at www.stlukelutherancommunity.com or by calling Kristie Woods, (330) 966-5626.

Celebrate God's most precious gift, Jesus Christ, with a gift in the envelope provided and join me in offering thanks for all He has provided.

Driven by Him,

Kristie Woods

Kristie Woods
Director of Development & Community Relations
St. Luke Foundation/St. Luke Lutheran Community

100...101...102...103...104...105... and counting!

Isaiah 46:3b-4a LB
I have created you and
cared for you since you
were born. I will be
your God through all
your lifetime. Yes, even
when your hair is white
with age. I made you
and I will care for you."

Eleven St. Luke residents ages 100 to 105 made for a combined total of 1,121 birthday candles at our annual Centenarian Celebration. Now that's a party! (No candles were actually lit in the making of this celebration). It's remarkable to think of the experiences, memories and friendships made over the years. More than five dozen grandchildren, over 3 dozen

great-grandchildren, and even a few great, great-grandchildren add to their joy. Most noteworthy inventions that impacted their lives were the automobile and the washing machine. So what's the secret to living a long life? "Keeping busy," says Bea. Mary Z. feels that "people would all live long healthy lives if they did more cooking at home and less eating out at the restaurants." Hilda adds that she didn't drink or smoke. Mary M. simply states, "Good genes." Of the eleven centenarians, one is a Waterford resident who continues to live independently. To those who witnessed the world change and those who made the changes, birthday blessings from St. Luke Lutheran Community!

Community News...

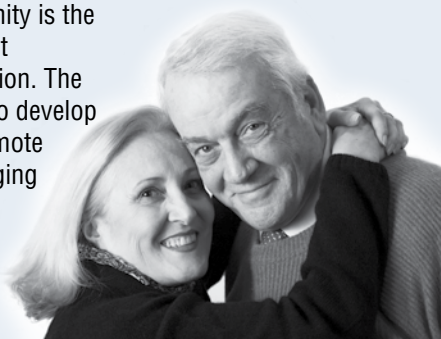

St. Luke Lutheran Community to Broaden Senior Care

St. Luke Lutheran Community is reaching out to seniors beyond the walls of our campus through a program called LINC'S (Lutheran Interfaith Network Connection of Services). The LINC'S program will be designed to serve an age and income qualified senior population. As a nonprofit organization, we are looking for new ways to achieve excellence in aging services and enhance the quality of life both in the organization and in the community.

According to a recent report from the Bureau of Labor and Statistics, 89 percent of seniors desire to maintain an independent, home-based lifestyle, despite any functional disabilities. However, they lack knowledge about quality, costs and availability of services in their community and how to connect with these services.

The LINC'S program is based on the belief that we are all entitled to remain in our familiar home setting for as long as possible and enables St. Luke to further their mission by reaching out with loving Christian care to seniors in the surrounding community.

St. Luke Lutheran Community is the recipient of a \$14,000 grant from The Aultman Foundation. The grant will enable St. Luke to develop the LINC'S program to promote independent and healthy aging by linking seniors with available community services.

Doing your Christmas Shopping Online?

GoodSearch

GoodShop

St. Luke Foundation can earn a donation every time you search the Internet and shop online!

Search the web with Yahoo-powered GoodSearch.com and they'll donate about a penny to St. Luke Foundation each time you search!

Shop at more than 600 GoodShop.com merchants including Amazon, Best Buy, Toys R Us, and others, and a percentage of each purchase will go to St. Luke Foundation! Learn more on The Foundation page at www.stlukelutherancommunity.org.

TIME LIMITED FOR THRIVENT GIVINGPLUS PROGRAM

"Never put off till tomorrow what you can do today," said Thomas Jefferson. The chance to enhance your gift may be gone by then. **Thrivent GivingPlus, which provides a 50% match on your gift, may no longer be available after December. Give now to ensure maximization of your gift through Thrivent GivingPlus.**

St. Luke Foundation qualifies as a Thrivent GivingPlus recipient. That means that your gift, if you are a Thrivent member, is eligible for a 50% match by Thrivent. Complete the GivingPlus Member Gift Form and send with your gift. **The following is valuable information regarding this program:**

- You are a Thrivent member if you own an insurance policy from, or have an investment through Thrivent Financial for Lutherans.
- The 50% match applies to all gift(s) totaling up to \$600 per calendar year.
- Any family member 16 years or older residing with you can fill out the Family Membership Application. Gifts can then be made to St. Luke Foundation in their name and would be eligible for the same matching limits described above, therefore increasing the match available from your household. (Example, instead of one gift to St. Luke of \$1,800 being matched on only the first \$600, three family members each giving \$600 to St. Luke Foundation instead, would have all \$1,800 eligible for matching.)
- Stock or mutual fund share transfers are also eligible.

Special bonus for volunteers! When a member contributes 25 or more hours of service that they submit with an eligible GivingPlus ® gift, Thrivent will contribute an additional \$25. Just indicate your volunteer service by filling in the appropriate bubble on the GivingPlus ® Member Gift Form. Volunteer service includes unpaid time working on projects/activities or serving on a governing/task group.

Remember, Thrivent Financial for Lutherans will match the gifts of its members through its GivingPlus program; but, this may not last. GivingPlus forms and program updates are available online or by calling Kristie Woods at (330) 966-5626.

Survey Says: Exceptional Residential Care

St. Luke - North Canton received congratulations from the Director of the Ohio Department and Chief of the Division of Quality Assurance, State Survey Director, for a deficiency-free Residential Care survey conducted on July 23, 2009. This is the fourth consecutive year that St. Luke - North Canton has had a deficiency-free Residential Care survey.

Deficiency-free surveys indicate a significant effort on the part of the administration and staff of a residential care facility. To receive a deficiency-free survey, an assisted living facility must meet all federal and state health and safety standards. Standards encompass professional care standards, infection control, food preparation, drug administration, the environment of residents and overall quality of health care administration. The multi-day survey process involves numerous ODH employees reviewing organizational procedures while observing hands-on operations.

"We take great pride in St. Luke Lutheran Community and the quality of environment and care offered to our residents. This recognition speaks to our dedication to the St. Luke mission," said Jeannie Williams, Executive Director of St. Luke - North Canton. "It is an accomplishment for which everyone can be justifiably proud and represents the St. Luke commitment to excellence."

Community News...

Prescription Donations Help Akron Residents

St. Luke Lutheran Community is assisting Summit County residents in need by providing a major, ongoing donation of medications to OPEN M. This donation, in cooperation with Omnicare Pharmacy, is made possible by an Ohio law (Ohio Prescription Drug Repository Program) also known as Karon's law, which allows medical institutions to donate unused prescription medications in sealed, single-use packaging to medical clinics so they may be redistributed to people who need them. OPEN M is a non-profit, neighborhood based, comprehensive ministry working in the community of South Akron. The OPEN M medical clinic is the only free medical clinic in the city of Akron and serves all of Summit County. In 2008, approximately 3,000 clients used the OPEN M free clinic as their primary care institution.

St. Luke Partnership Celebrates New Affordable Housing Unit

Lutheran Housing Services of Howland, a partnership with St. Luke Lutheran Community, Lutheran Social Services of Northern Ohio, and Shepherd of the Valley Lutheran Retirement Services, hosted a dedication and open house for The Manor at Howland Glen, an affordable senior housing community in Warren, on June 15. The event celebrated the success of the collaborative effort among the organizations to build income-adjusted, safe housing with a caring environment for seniors.

Howland Glen offers 49 one-bedroom apartments, a comfortably designed community room, library, arts and crafts studio, and lounges. Rent includes: utilities, refrigerator, range, carpet, and air-conditioning. Rental assistance is available through the Department of Housing and Urban Development with qualifying residents paying 30 percent of their income for rent.

St. Luke Foundation 12th Annual Benefit Golf Outing

The 12th Annual St. Luke Foundation Benefit Golf Outing, held June 24th at Raintree Country Club, had the support of many (including Mother Nature). Not too hot, not too cold, the sun-soaked day was just right! We entertained 101 golfers, gave away 97 door prizes, and raised over \$18,000 for the St. Luke Annual Appeal. Now that's putting in a good day's work! Thank you to all who played, sponsored, donated to, volunteered for, and coordinated another successful event for the seniors of St. Luke Lutheran Community. We look forward to seeing you June 23, 2010 for another round!

Love

Everett & Olga Hartshome Married: July 20, 1946 Chicago, Illinois 63 Years	Earl & Betty Emery Married: July 20, 1946 Akron, Ohio 63 Years	Jim & Janette Botos Married: July 20, 1940 Akron, Ohio 69 Years
--	--	---

St. Luke - Portage Lakes proudly hosted an anniversary luncheon for three dedicated couples with the same anniversary date.

Jim and Janette Botos celebrated their 69th year together. Earl Emery and his wife, Betty, celebrated 63 years as did Everett and Olga Hartshome all on July 20th. Getting married? July 20th looks like a successful day for a happily ever after!

Thank You Ladies!

The Waterford at St. Luke welcomes Yvonne Haren, Independent Living Manager, upon the retirement of Joan Shaff. We thank both women for sharing their talents with The Waterford. We wish Joan and Yvonne much success in their new endeavors.

Dear
Caring
Friends,

Thank you for supporting the ministry of St. Luke Lutheran Community and the St. Luke Foundation. The generous gifts you have provided from November 1, 2008 through October 15, 2009 are making a difference in the lives of the seniors we serve in a variety of ways. With your support we can continue providing quality, compassionate, Christian care for seniors. Your gifts improve quality

Gifts from the Heart Our Partners in Ministry

of life for St. Luke residents through new and improved facilities, equipment, state-of-the-art technology, pastoral care, building maintenance, staff training and the comfort of knowing they will be cared for regardless of their ability to pay. Your kindness "provides faith-based services to enrich the lives of older adults". You are treasured. Thank you for being a blessing to others!
