St. Luke Lutheran Community

Statement of Purpose

In response to a call from God, St. Luke Lutheran Community plans to be a cost-effective provider in the use of resources as we serve the older adult, their families, and the community by:

- Providing housing, care and services in a not-for-profit, comfortable, safe, secure, aesthetic and home-like environment.
- Meeting the holistic (physical, mental, social, emotional and spiritual) needs of the older adults so they may function at their optimal level.
- Providing an organizational structure which can support an environment in which qualified employees can experience job satisfaction and participate in education programs to improve performance.
- Being the continuing care community of choice for families of the older adults.

Being an accredited/recognized ministry of the Lutheran church and other religious denominations reaching out with loving Christian care to those we serve.

STNA's are our featured staff for the **October** nomination period. St. Luke's "All Star" for Outstanding Service Program was created to recognize individuals who consistently show enthusiasm for their job and display outstanding performance on a consistent basis. St. Luke recognizes that employees are instrumental in fulfilling its mission and it takes effort from each individual to make that happen. We ask that residents, family members, volunteers and employees nominate individuals from the designated department who display outstanding performance. Nomination forms can be obtained from the Front Desk and should be turned into the Front Desk. The nomination period is from 10/1/2018-10/19/2018. Monthly winners are announced in the employee newsletter and on television monitors in the employee breakroom.
