## Four part process:

1. **Needs Assessment:** An assessment will be completed by a Licensed Social Worker (LSW).
2. **Recommendation of Service Options:** Recommendations, based upon the assessment, will be made by the Licensed Social Worker to the client.
3. **“LINCing”:** The client will be connected or **“LINCed”** with appropriate, affordable services enabling the client to maintain independence.
4. **Follow up:** The client will receive follow up care management if necessary and appropriate.

## Assistance for Area Seniors

### What are the services provided?

We work with other agencies to “LINC” seniors to these services:

- Assistance with transportation
- Assistance with medical/insurance billing questions
- Home delivered meals
- Personal care
- Housekeeping
- Accessing prescription assistance plans
- Legal services
- Professional staff
- Experienced and Licensed Social Workers
- Certified OSHIP Counselors trained to assist with Medicare/Medicaid and health insurance questions

### Is there a fee charge?

There is no charge for the services of the LINCing Coordinator; however, there may be a fee for the services obtained for the senior.

### What is the service area?

Referrals are accepted for any senior residing in North Canton. Area clergy, parish nurses, and community outreach groups are welcome to refer seniors to this program.

## LINCing Seniors to Area Services

The care management program’s goal is to promote independent and healthy aging by “LINCing” seniors with available community services.

A care manager is an experienced professional who specializes in assisting older adults and their families with care arrangements. Care managers have extensive knowledge about quality, costs, and availability of services in our community and can connect you with the services that will be right for you.
