St. Luke Lutheran Community

Statement of Purpose

In response to a call from God, St. Luke Lutheran Community plans to be a cost-effective provider in the use of resources as we serve the older adult, their families, and the community by:

- Providing housing, care and services in a not-for-profit, comfortable, safe, secure, aesthetic and home-like environment.
 - Meeting the holistic (physical, mental, social, emotional and spiritual) needs of the older adults so they may function at their optimal level.
 - Providing an organizational structure which can support an environment in which qualified employees can experience job satisfaction and participate in education programs to improve performance.
 - Being the continuing care community of choice for families of the older adults.
- Being an accredited/recognized ministry of the Lutheran church and other religious denominations reaching out with loving Christian care to those we serve.

St. Luke Lutheran Community is currently offering

Compassionate Care Visits and End of Life Visits for residents that may be in need until regular visitation can resume.

Visits must be approved by the Executive Director or designee. To discuss this option, please contact Katlyn Mickley, RN, at 330-7045161.
